Egor Stulenkov

Senior Front End Developer

Hello, my name is Egor. I am doing Frontend-development for 7 years.
Currently live in Belgrade, Serbia. Now I'm heavily immersed in React and looking for a project as a Frontend developer on this library.

EXPERIENCE

giper.fm, Remote

Senior Front End Developer

October 2022 – Present

- Migrated multi-page online stores to React/Next.js, which increased the speed of applications and improved the user experience.
- Achieved full coverage of the typescript project components, which reduced the number of bugs and improved the development process.
- Participated in each step of the product development process from ideation to development improvement for features reaching over 500,000 users per month.

its.agency, St. Petersburg, Russia

Lead Front End Developer

May 2021 – October 2022

- Involved in mentoring and onboarding for new front-end developers on projects. Checked test tasks for applicants.
- Made a front-end for a project that won two awards at international competitions: "Site of the day" at the CSS Design Awards and "FWA of the day" at the FWA Awards.
- Designed and developed the international version of the company's website on Vue/Nuxt/GraphQL and Strapi.js.

Middle Front End Developer

April 2019 – May 2021

- Maintained, developed e-commerce projects using React.js, Vue/Nuxt.
- Created a single UI component library for several projects using Vue.
- Developed complex 3D web projects using three.js and WebGL.

Banana Web, St. Petersburg, Russia

Full Stack Engineer

December 2017 – April 2019

- Development and support of existing projects, on different CMS (Bitrix, Wordress, Joomla and others).
- Technical support SEO promotion (keywords, semantics, Open Graph…).
